Medical Library News

We are open!

The Medical Library is now open 8:30am - 4:30pm Mon – Fri. We look forward to seeing our library patrons back in the library!

Physical distancing and good hygiene will apply in the library space. After-hours access is not available until further notice.

New Take 5 resources

WNHS is committed to nurturing a culture of continuous improvement that results in no patient harm. These presentations are designed for our busy staff, and convey all the important information you need to get across a topic or issue, in just 5 minutes. The Medical Library hosts all the Take 5’s in one convenient location on our Take 5 Education page.

There are 2 new Comprehensive Care – Statewide Perinatal and Infant Mental Health Program (SPIMHP) Take 5 presentations for you to access.
New Resources

You can also search the Staff Publications tab from the Library Home page

From July 1 2020 no further publications will be added to the database, however the database will still be available for searching.
The library has been busy during the COVID period developing information guides specifically designed for the KEMH consumer. These guides have been developed in collaboration with staff from both Parent Education and the Physiotherapy Department.

To access the guides please click on
