Library News & Technical Updates

Keep up to date with new resources, downtime notifications, updates to resources and technical updates on the Library News / Technical Updates page.

Find the page under About on the Library website.

Featured Library Resources

DynaMed Plus point of care best practice summaries

DynaMed Plus provides concise, up to date information on diseases and conditions with graded, evidence-based recommendations for treating and managing patients.
Access **DynaMed Plus** from the [Library home page](#) under **Point of Care Tools** and download the **DynaMed Plus app** on your device. See [Mobile Resources](#) for app information.

Search for a topic or browse by specialty.

Topic guides include links to practice guidelines and original reviews or articles.

The latest staff publications include an editorial, a review and an RCT.

Go to: [AA - WNHS / Most Recent Staff Publications / KEMH](#)

You can also search the Staff Publications.

Click on our **Staff Publications** tab from the [Library Home page](#)
